May 20, 2021	7:22 PM	from Dennis McLain to host (privately): What would define CECAP success?
May 20, 2021	7:29 PM	from Daniel G to all panelists: Where does emissions from new construction of housing/commercial real estate, etc fall under process and fugitive emissions?

May 20, 2021 7:29 PM from Daniel G to all panelists:
*fall? Under

May 20, 2021 7:31 PM from Daniel G to all panelists:
I was wondering about that. So this is energy emissions specifically. Thank you very much!

May 20, 2021 7:37 PM from Daniel G to all panelists:
Does the business-as-usual model make any assumptions about population/business growth in the coming years?

May 20, 2021 7:38 PM from John Clewett to everyone:
What assumptions are you making to achieve this dramatic decrease in GHG? The CECAP as I understand it is entirely voluntary – so how will these changes be implemented?

May 20, 2021 7:38 PM from yasmin shafiq to everyone:
Did you all use an existing plan/s to model this one off of, and if so, can you please share what they were?

May 20, 2021 7:40 PM from John Clewett to everyone:
So are there going to be recommendations for County requirements to mandate certain activities?

May 20, 2021 7:43 PM from John Clewett to everyone:
So will there be a recommendation to the County to seek permission from the General Assembly to mandate certain activities?

May 20, 2021 7:52 PM from John Clewett to everyone:
Do you have goals for County buses, like transit buses?

May 20, 2021 8:00 PM from John Clewett to everyone:
In Strategy 6, does power-to-gas mean generating methane?

May 20, 2021 8:01 PM from John Clewett to everyone:
Shouldn't we be just moving away from methane?

May 20, 2021 8:02 PM from Daniel G to all panelists:
How can renters help push for on-site renewable energy production where they live?

May 20, 2021 8:04 PM from Daniel G to all panelists:
Thank you.

May 20, 2021 8:10 PM from Van Ly to everyone:

In old home like ours, the electrical box can only handle 60amp and we are already experiencing issues. Are there incentives and support for people buying an electric car and having a charger at home?

May 20, 2021 8:13 PM from Adam Agalloco to everyone:

May 20, 2021 8:13 PM from Adam Agalloco to everyone:
Here's some information on EV tax credits

May 20, 2021 8:14 PM from Van Ly to everyone:
I thought there would be incentives towards planting trees

May 20, 2021 8:14 PM from John Clewett to everyone:
Does encouraging broadband adoption fit in anywhere? It can decrease VMT.

May 20, 2021 8:17 PM from Daniel G to all panelists:
How can we support CECAP at the "telling the people in charge that we support these initiatives" level?

May 20, 2021 8:18 PM from Van Ly to everyone:
I know that you wanted buyin and feedback from the community, but were there discussions and participations from businesses and industry at some point?

May 20, 2021 8:19 PM from John Clewett to everyone:
Will you notify us when the final report is ready?

May 20, 2021 8:19 PM from Barbara Bacon to everyone:
Surprised to learn the low percentage of emissions from waste sector!

May 20, 2021 8:23 PM from Barbara Bacon to everyone:
